WORK EXPERIENCE

Performance Marketing Executive – eCommerce | Happy Earth Organic

Dubai, UAE | Jun 2026 – Sep 2026

Organic & Sustainable D2C E-Commerce Brand

- Led complete visual rebranding—defining the brand's visual identity, color palettes, typography, packaging USPs, and digital assets across all channels.
- Directed end-to-end Shopify website revamp and UX architecture, defining conversion-focused button hierarchy, navigation paths, and authoring on-page SEO, AEO (Answer Engine Optimization), and GEO (Generative Engine Optimization) copy for AI search.
- Managed complete day-to-day Shopify store operations, encompassing product catalog updates, inventory management, theme modifications, and checkout flow enhancements.
- Engineered an automated WhatsApp sales funnel via Interakt WhatsApp Business API for paid ad traffic, turning zero initial baseline sales into 10 converted customers (AED 50 AOV, generating AED 500+ revenue on an initial 10-day test cycle at AED 30/day ad spend, validating early demand at ~1.67X ROAS).
- Implemented Klaviyo lead-capture popups, acquiring 58 verified first-party subscriber leads within 20 days to build the brand's initial CRM database.
- Managed Amazon PPC advertising campaigns and competitor benchmarking; executed targeted Meta ad sets on AED 30/day micro-budgets and curated 360° monthly social media content calendars.

Marketing Strategist | Réia Diamonds

Bangalore, India | Jan 2025 – Jun 2025

Luxury Jewellery Brand — D2C Campaign Management & Brand Growth

- Achieved 10.4X ROAS on revenue (2.08X on gross margin): ₹4.91 Lakhs revenue on ₹47K ad spend over Mar–Apr 2025, through Google Search and Meta Ads across brand, competitor, product and geo-targeted campaigns.
- Grew monthly website sessions from 3,588 in March to 15,284 in April 2025 (+326% MoM).
- Ran 62 campaign setups across brand awareness, video views and retargeting, pausing weak ads and scaling top creatives to reach 9.42M impressions and 4.01M people.
- Restructured the website and improved navigation and session duration, contributing to a measurable lift in on-site conversion rate.
- Wrote SEO-optimised blog content that improved organic rankings across 10+ target keywords, and produced launch decks, mood boards and brand scripts.
- Built Instagram and Facebook content calendars with occasion-led ad scheduling around product launches and seasonal demand peaks, growing follower engagement by 30%+.
- Ran weekly KPI reviews, keyword analysis and competitor benchmarking, with A/B tests on creatives, bid strategies and landing pages.
- Led end-to-end brand and product shoots, from shot lists and shoot-day logistics to editing and publishing; restructured landing page layouts, CTAs and enquiry forms to cut drop-offs.
- Engineered 6-tag GTM tracking architecture (Meta Pixel, Google Ads conversions, WhatsApp click tracking); established and verified 4 Google My Business locations across Bangalore, Coimbatore, Guwahati, and Chennai.

Performance Marketing Agency — Google, Meta and LinkedIn campaigns for 4+ international clients

- Onboarded new clients end to end: website audits, GA4 and GTM tracking audits, competitor analysis and full-funnel recommendations.
- Built platform-specific media buying plans with budget splits and test matrices tied to ROAS and conversion targets across Google, Meta, and LinkedIn.
- Structured campaigns with granular ad groups, keyword clusters, bidding logic, audience-tailored ad copy, and UTM parameter tagging.
- Delivered weekly reports on CPL, ROAS and attribution across accounts, providing data-driven continuous optimization roadmaps.
- Ran YouTube banner and video campaigns for brand awareness and performance objectives.
- Family Care Centre (US Healthcare):** Managed high-intent Google Search campaigns across multi-state clinic locations; configured CallRail call tracking to attribute inbound patient inquiries and created Looker Studio performance reporting dashboards.
- Scuderia Car Parts (Luxury UK Automotive):** Ran brand protection campaigns and pruned irrelevant search queries to cut wasted ad spend, optimizing Google Ads search campaigns across luxury automotive marques.
- Sunoh.AI & Healow Genie (B2B SaaS Health-Tech):** Reported on active user acquisition funnels in GA4; configured custom Google Tag Manager (GTM) event tags and triggers to track demo requests, onboarding steps, and registration drop-offs.
- Improved onboarding and campaign landing pages (form structure, page flow) to raise lead quality and reduce drop-offs.

- Crafted and executed content strategies across digital platforms, researching audience insights and content trends to shape campaign direction.
- Created compelling multi-format content — social media posts, blogs, and digital campaigns — ensuring brand alignment and storytelling consistency.

Kids' Educational YouTube Channel — Grew channel to 10,000+ views per video through SEO-driven scripts

- Developed structured, research-backed scripts integrating SEO keywords, improving video search visibility and boosting average viewer retention rate by 25%.
- Executed social media ad campaigns targeting 18–35 parent demographics, achieving a 15% increase in channel subscribers over 6 months.
