PROFESSIONAL SUMMARY

Performance Marketing & eCommerce Growth Specialist with 2.5+ years in digital marketing, including hands-on paid media across Google Ads, Meta Ads, and full-funnel campaigns for luxury D2C, healthcare, and B2B SaaS brands. Delivered up to 10.4X ROAS on D2C revenue, managed international client advertising accounts, and optimized lead generation funnels across diverse verticals. Proven expertise in end-to-end Shopify store revamps, visual rebranding, conversational retention funnels (Interakt WhatsApp API, Klaviyo), and analytics tracking architecture (GA4, GTM, Looker Studio). Holds an MSc in International Business Management with Marketing from Heriot-Watt University Dubai. Google-certified and Amazon Ads certified.

CORE COMPETENCIES

Full-Funnel Paid Acquisition • Media Buying & Budget Allocation • eCommerce Store & UX Optimization • Conversion Rate Optimization (CRO) • Lifecycle & Retention Marketing • Modern Search Strategy (SEO, AEO, GEO) • Audience Segmentation & Retargeting • A/B Creative & Landing Page Testing • Technical Tracking & Attribution • KPI Performance Reporting (ROAS, POAS, CPL, CPA) • Brand Visual Systems & Messaging Strategy

WORK EXPERIENCE

Performance Marketing Executive – eCommerce | Happy Earth Organic

Dubai, UAE | Jun 2026 – Sep 2026

Organic & Sustainable D2C E-Commerce Brand

- Led complete visual rebranding in collaboration with the marketing team—defining the brand's core visual identity, color palettes, typography, packaging USPs, and digital creative assets across all channels.
- Directed end-to-end website revamp and UX architecture, defining conversion-focused button hierarchy, navigation paths, and authoring on-page SEO, AEO (Answer Engine Optimization), and GEO (Generative Engine Optimization) copy for AI search.
- Managed complete day-to-day Shopify store operations, encompassing product catalog updates, inventory/stock management, theme custom modifications, and checkout flow enhancements.
- Engineered an automated WhatsApp conversational sales funnel via Interakt WhatsApp Business API for paid ad traffic, turning zero initial baseline sales into 10 converted customers (AED 50 AOV, generating AED 500+ revenue on an initial 10-day test cycle at AED 30/day ad spend, validating early product-market fit at ~1.67X ROAS).
- Implemented Klaviyo lead-capture popups, generating 58 verified first-party subscriber leads within 20 days to build the brand's initial CRM database.
- Managed Amazon PPC advertising campaigns and competitor benchmarking; executed targeted Meta ad sets on AED 30/day micro-budgets and curated 360° monthly social media content calendars.

Marketing Strategist | Réia Diamonds

Bangalore, India | Jan 2025 – Jun 2025

Luxury Jewellery Brand — D2C Campaign Management & Brand Growth

- Achieved 10.4X ROAS on revenue (2.08X ROAS on gross margin) by scaling revenue to ₹4.91 Lakhs on ₹47K ad spend through multi-tiered Google Search and Meta Ads campaigns.
- Accelerated monthly website sessions by +335% MoM (reaching 15,284 sessions in April 2025; 18,872 total sessions Mar–Apr 2025, +89% overall).
- Executed iterative testing across 62 campaign setups throughout tenure (spanning brand awareness, video views, and retargeting), pausing non-performers and scaling top creatives to generate 9.42M total impressions (4.01M reach) with lean CPMs.
- Engineered 6-tag GTM tracking architecture (Meta Pixel, Google Ads conversions, WhatsApp click tracking); established and verified 4 Google My Business locations across Bangalore, Coimbatore, Guwahati, and Chennai.
- Directed end-to-end brand and product shoots, growing follower engagement by 30%+; restructured landing page layouts and enquiry forms to minimize drop-offs.

- **Family Care Centre (US Healthcare):** Managed high-intent Google Search campaigns across multi-state clinic locations; configured CallRail call tracking to attribute inbound patient inquiries and created Looker Studio performance reporting dashboards.
- **Scuderia Car Parts (Luxury UK eCommerce):** Managed and optimized Google Ads search campaigns across luxury automotive marques; drove high-converting brand protection campaigns and pruned irrelevant search queries to improve overall profitability.
- **Sunoh.AI & Healow Genie (B2B SaaS Health-Tech):** Monitored active user acquisition funnels in GA4; configured custom Google Tag Manager (GTM) event tags and triggers to track demo requests and onboarding steps.
- **Search Hygiene & Waste Reduction:** Conducted routine negative keyword audits, search query mining, and geo-bid optimizations across client accounts to eliminate wasted ad spend and lower acquisition costs.
- **Landing Page Testing & Paid Media Execution:** Collaborated on landing page UX and copy improvements to boost lead capture; executed paid campaigns across Google Ads, Meta Ads Manager, and LinkedIn Campaign Manager.

Digital & Content Strategy Intern | Anavrin Films

Bengaluru, India | Mar 2024 – Sep 2024

- Crafted and executed content strategies across digital platforms, researching audience insights and content trends to shape campaign direction.
- Created compelling content across formats — social media posts, blogs, and digital campaigns — ensuring brand alignment and storytelling consistency.
- Collaborated closely with creative and marketing teams on end-to-end content production.

Scriptwriter & Content Strategist | Learn Practically

Bengaluru, India | Jan 2023 – Feb 2024

Kids' Educational YouTube Channel — Grew channel to 10,000+ views per video through SEO-driven scripts

- Developed structured, research-backed scripts integrating SEO keywords, improving video search visibility and boosting average viewer retention rate by 25%.
- Executed social media ad campaigns targeting 18–35 parent demographics, achieving a 15% increase in channel subscribers over 6 months.
- Ensured accuracy, clarity, and storytelling alignment across all published content, maintaining a 100% on-time delivery record.
