PROFESSIONAL SUMMARY

Results-driven Performance Marketing professional with hands-on experience managing Google Ads, Meta Ads, and full-funnel digital campaigns across luxury, healthcare, and B2B SaaS sectors. Delivered 10:1 ROAS on INR 1L/month budgets, generated 500+ qualified monthly visits, and improved CTR and CVR through data-led A/B testing across 4+ international client accounts. Built SEO-optimized content strategies that boosted organic search rankings and reduced CPL. Currently pursuing an MSc in International Business with Marketing at Heriot-Watt University Dubai. Certified in Google Ads, Google Analytics, and Amazon Ads.

CORE COMPETENCIES

Google Ads (Search, Display, Call-Only, Retargeting) • Meta Ads (Facebook & Instagram) • YouTube Ads • LinkedIn Campaign Manager • SEO (On-page & Off-page) • SEM & Media Buying • GA4 & Google Tag Manager • UTM Tracking & Attribution • KPI Reporting (CPL, POAS, ROAS) • A/B Testing • Keyword Research • Competitor Analysis • Audience Targeting • Full-Funnel Strategy • Ad Copywriting • Conversion Rate Optimization (CRO) • SEMrush • Ahrefs • Canva • Notion

WORK EXPERIENCE

Performance Marketing Executive – eCommerce | Happy Earth Organic

Dubai, UAE | Jun 2026 – Sep 2026

Organic & Sustainable D2C E-Commerce Brand

- Led complete end-to-end revamp of the e-commerce website, architecting design workflows, UI/UX structure, conversion-focused button hierarchy, navigation paths, and page sections to maximize on-site conversion.
- Created all digital assets, USP banners, promotional copy, and SEO-optimized product descriptions from scratch, elevating brand positioning and product value clarity.
- Managed extensive day-to-day Shopify store operations, encompassing product catalog updates, inventory/stock management, theme custom modifications, and checkout flow enhancements.
- Configured and managed Interakt WhatsApp Business API to run targeted broadcast campaigns, establishing direct, high-engagement customer communication.
- Implemented Klaviyo email marketing, building automated flows, lead-capture popups, and segmented bulk email campaigns.
- Executed Amazon e-commerce PPC advertising, managing campaigns, competitor benchmarking, and product listing imagery; ran targeted Meta ad campaigns on micro-budgets (AED 30) and curated monthly 360° social media content calendars.

Marketing Strategist | Réia Diamonds

Bangalore, India | Jan 2025 – Jun 2025

Luxury Jewellery Brand — D2C Campaign Management & Brand Growth

- Achieved 10:1 ROAS on a monthly budget of INR 1 Lakh by devising and executing multi-platform Google Ads and Meta Ads campaigns (brand, competitor, product, geo-targeted), generating 500+ qualified visits per month.
- Directed full website restructuring and UX overhaul, improving navigation and session duration, which contributed to a measurable uplift in on-site conversion rate.
- Produced SEO-optimized blog content, launch decks, mood boards, and brand scripts, improving organic search rankings across 10+ target keywords and reinforcing premium brand positioning.
- Built structured Instagram and Facebook content calendars with occasion-led ad scheduling aligned to product launches and seasonal demand peaks, growing follower engagement by 30%+.
- Conducted weekly KPI reviews, keyword analysis, and competitor benchmarking; executed A/B tests on creatives, bid strategies, and landing pages to continuously improve CTR and CVR.
- Led end-to-end brand and product shoots — from curating shot lists and coordinating shoot day logistics to post-production editing and social media publishing across Instagram and Facebook.
- Optimised landing pages for conversion — restructured page layouts, CTAs, and enquiry forms to reduce drop-offs and improve lead quality, contributing directly to ROAS improvement.

Digital Marketing Executive | Tealbox Digital

Indore, India | Sept 2024 – Jan 2025

Performance Marketing Agency — Multi-Client Campaign Execution (Google, Meta, LinkedIn)

- Planned, launched, and streamlined Search, Display, Call-Only, and retargeting campaigns for 4+ international clients including Scuderia Car Parts (luxury automotive, POAS focus), Family Care Centre (US hospital chain, lead-gen and appointment conversions), Sunoh.AI, and Healow Genie (B2B SaaS health-tech).
- Managed client onboarding end-to-end, encompassing website audits, GA4 and GTM tracking audits, competitor analysis, and full-funnel recommendations.
- Developed platform-specific media buying strategies with budget splits and test matrices aligned to ROAS and conversion targets, reducing wasted ad spend by identifying underperforming segments.
- Structured campaigns with granular ad groups, keyword clusters, bidding logic, audience-tailored ad copy, and UTM tagging grounded in audit insights.
- Delivered weekly performance reports tracking CPL, POAS, and attribution across all accounts, with actionable optimization roadmaps that consistently improved campaign efficiency.
- Administered end-to-end campaigns across Google Ads, Meta Business Suite, and LinkedIn Campaign Manager; collaborated on A/B testing of creatives, copy variations, and landing pages.
- Optimised client landing pages during onboarding and ongoing campaign management — identifying funnel leakage, improving form structures and page flow to increase lead quality and reduce CPL.
- Ran YouTube advertising campaigns including banner ads and video ads across brand and performance objectives for multiple client accounts.

Digital & Content Strategy Intern | Anavrin Films

Bengaluru, India | Mar 2024 – Sept 2024

- Crafted and executed content strategies across digital platforms, researching audience insights and content trends to shape campaign direction.
- Created compelling content across formats — social media posts, blogs, and digital campaigns — ensuring brand alignment and storytelling consistency.
- Collaborated closely with creative and marketing teams on end-to-end content production.

Scriptwriter & Content Strategist | Learn Practically

Bengaluru, India | Jan 2023 – Feb 2024

Kids' Educational YouTube Channel — Grew channel to 10,000+ views per video through SEO-driven scripts

- Developed structured, research-backed scripts integrating SEO keywords, improving video search visibility and boosting average viewer retention rate by 25%.
- Executed social media ad campaigns targeting 18–35 parent demographics, achieving a 15% increase in channel subscribers over 6 months.
- Ensured accuracy, clarity, and storytelling alignment across all published content, maintaining a 100% on-time delivery record.
